**WILDLIFE WAYSTATION**

The Wildlife Waystation is a non-profit organization located in the Little Tujunga Canyon area of Angeles National Forest, whose mission is to rescue, rehabilitate, relocate and provide sanctuary to wild and exotic animals from around the world, as well as native wildlife. The organization is requesting a donation of County surplus fire hoses to support their efforts to provide swings, beds and hammocks to their geriatric carnivores and primates.

**I, THEREFORE, MOVE** that the Board of Supervisors approve referral of the Wildlife Waystation to the Internal Services Department as a potential donee agency in the County Surplus Property Donation Program, to receive County surplus fire hoses.
